DETAILED ACTION

PROSECUTION IS HEREBY REOPENED.

To avoid abandonment of the application, appellant must exercise one of the following two options:

(1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,

(2) initiate a new appeal by filing a notice of appeal under 37 CFR 41.31 followed by an appeal brief under 37 CFR 41.37. The previously paid notice of appeal fee and appeal brief fee can be applied to the new appeal. If, however, the appeal fees set forth in 37 CFR 41.20 have been increased since they were previously paid, then appellant must pay the difference between the increased fees and the amount previously paid.

A Supervisory Patent Examiner (SPE) has approved of reopening prosecution by signing below:

/Victor Batson/

Supervisory Patent Examiner, Art Unit 3677

- Claims 2-4, 6, 10-12, and 14 are canceled.
- Claims 1, 5, 7-9, and 13 are pending.

Specification

[1] The disclosure is objected to because of the following informalities: In paragraph 12, the hooks are labeled as 12, 22 and 24; but when describing the prongs, the same numbers are used, 22 and 24. It is apparent that drawing corrections may also be required to resolve this issue.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

[2] The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Art Unit: 3677

[3] Claims 1, 5, 7, 8, 9, and 13 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. With regard to independent claims 1 and 8, it is unclear to the examiner how 'each earring' can consist of more than one earring clip pursuant to "at least one earring clip" in part (a). Claims 5 and 13 are dependent upon claims 1 and 8.

With regard to claims 7 and 9, it is stated of at least one edible food item/candy item, when however, they are dependent upon claims that state of at least two edible food items/candy items.

Allowable Subject Matter

[4] The above claims would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

[5] THIS ACTION IS NON-FINAL
